

## Turkish Designers

**Districts to visit :**  
Galata, Nisantasi & Tesvikiye

Turkish designers well-versed in global skills and trends take their design expertise from abroad all the way back to their roots and the Turkish haven of east-meets-west, the glorious city of Istanbul. And it is this combination of occident and orient, old and new, tradition and innovation that is starting to make waves far beyond the country's borders.
